AT THE HEART OF A MATURED NEIGHBOURHOOD

To live a life of balance and abundance is to be connected to the bustling of life, while being able to return comfortably into the quiet retreat of home. Conveniently connected to the main roads and highways, 118 Harmony is easily accessible from the Bayan Lepas Free Industrial Zone, Penang International Airport, as well as both Penang Bridges.

Its strategic location also presents ample amenities for everyday life such as schools, banks, markets, malls and more which are readily available to cater to the matured and growing neighbourhood of Relau.

LIVING IN ABUNDANCE

118 Harmony presents a lifestyle of abundance encapsulated in a humble abode that revolves around a harmonious blend of solidarity and practicality.

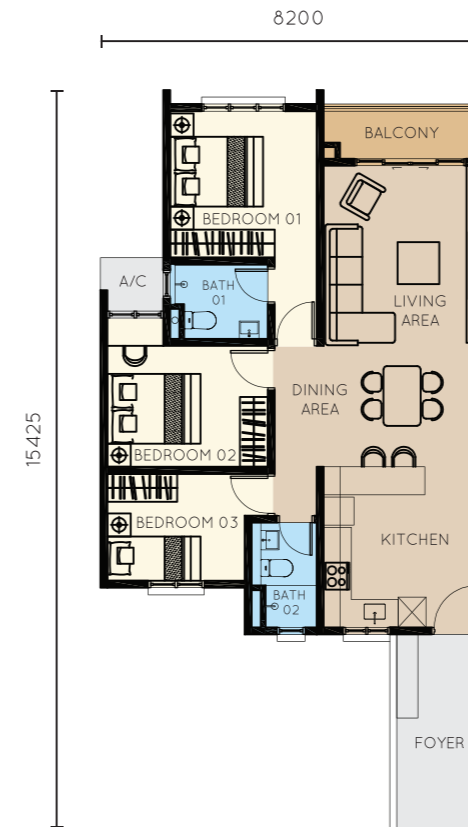

Featuring a one-of-a-kind low-density residence, 118 Harmony introduces a new form of semi-detached units with only eight units on each floor, where one can experience greater privacy while still living in harmony with neighbouring residents.

As 118 Harmony rests within close proximity with the vast nature landscapes of the green hills, one can expect to enjoy the calming breeze of nature as you allow natural lighting and ventilation to fill your home. The spacious layout of each home is designed to complement the distinct lifestyles of individuals and families.

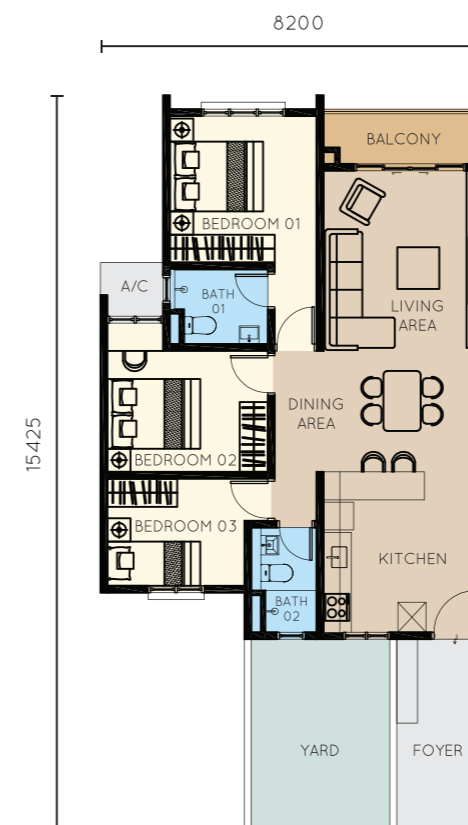

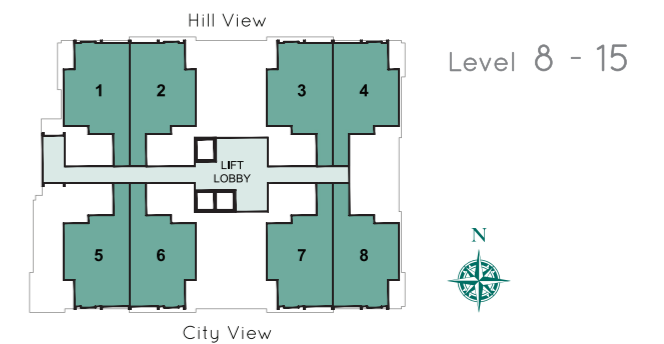

LAYOUT PLANS

Each unit at 118 Harmony features spacious open plan design that complements the semi-detached home in the sky concept.
